CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and midsized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

NOTICE OF ANNUAL GENERAL MEETING

INTRODUCTION

The purpose of this circular is to provide you with (a) the AGM Notice and (b) information in respect of the resolutions to be proposed at the AGM. Resolutions to be proposed at the AGM include, inter alia: (a) ordinary resolutions on the proposed grant of each of the General Mandate, the Repurchase Mandate and the Extension Mandate; (b) ordinary resolutions relating to the proposed re-election of the Directors; and (c) ordinary resolution relating to the proposed refreshment of the Existing Scheme Limit.
GRANT OF GENERAL MANDATE, REPURCHASE MANDATE AND EXTENSION MANDATE

Pursuant to the ordinary resolutions passed by the then Shareholders at the 2017 AGM of the Company held on 28 September 2017, the Directors were granted (a) a general unconditional mandate to allot, issue and deal with Shares not exceeding 20% of the number of issued Shares on the date of passing of the relevant ordinary resolution; (b) a general unconditional mandate to repurchase Shares not exceeding 10% of the number of issued Shares on the date of passing of the relevant ordinary resolution; and (c) the power to extend the general mandate mentioned in (a) above by an amount representing the aggregate number of the securities of the Company repurchased by the Company pursuant to the mandate to repurchase securities referred to in (b) above.

The above general mandates will expire at the conclusion of the AGM. At the AGM, the following resolutions, among other matters, will be proposed:

(a) to grant the General Mandate to the Directors to exercise the powers of the Company to allot, issue and otherwise deal with the Shares up to a maximum of 20% of the number of issued Shares on the date of passing of such resolution. On the assumption that 3,000,408,311 Shares in issue as at the Latest Practicable Date and assuming no Shares will be issued or repurchased prior to the AGM, the maximum number of Shares to be allotted and issued pursuant to the General Mandate will be 600,081,662;

(b) to grant the Repurchase Mandate to the Directors to enable them to repurchase the Shares on the Stock Exchange up to a maximum of 10% of the number of issued Shares on the date of passing of such resolution; and

(c) to grant the Extension Mandate to the Directors to increase the total number of Shares which may be allotted and issued under the General Mandate by an additional number representing such number of Shares repurchased under the Repurchase Mandate.

Each of the General Mandate, the Repurchase Mandate and the Extension Mandate will expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company following the AGM; (b) the date by which the next annual general meeting is required by the Companies Law or the Articles to be held; or (c) when the authority given to the Directors thereunder is revoked or varied by ordinary resolution(s) of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

The Directors wish to state that they have no immediate plans to allot and issue any new Shares other than such Shares which may fall to be allotted and issued upon the exercise of any options granted under the share option scheme of the Company.
Under the GEM Listing Rules, the Company is required to give the Shareholders all information which is reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the resolution in respect of the Repurchase Mandate at the AGM. An explanatory statement for such purpose is set out in Appendix I to this circular.

PROPOSED RE-ELECTION OF DIRECTORS

Pursuant to Article 83(3) of the Articles, Mr. Li Sheung Him Michael who was appointed as an executive Director with effect from 31 May 2018, shall retire at the AGM and being eligible, offer himself for re-election at the AGM.

Pursuant to Articles 84(1) and (2) of the Articles, Mr. Yue Kwai Wa Ken and Mr. Ko Wai Lun Warren shall retire from office as a Director by rotation at the AGM and being eligible, offer themselves for re-election at the AGM.

Particulars relating to the retiring Directors to be re-elected at the AGM are set out in Appendix II to this circular.

REFRESHMENT OF THE EXISTING LIMIT ON THE GRANT OF OPTIONS UNDER THE SHARE OPTION SCHEME

The Share Option Scheme was adopted on 26 September 2011. The purpose of the Share Option Scheme is to enable the Company to grant options to Participants as incentives or rewards for their contributions to the Group.

Pursuant to Chapter 23 of the GEM Listing Rules, the total number of securities which may be issued upon exercise of all options to be granted under a share option scheme and any other schemes of a listed issuer must not in aggregate exceed 10% of the relevant class of securities of the listed issuer (or the subsidiary) in issue as at the date of approval of the share option scheme. Options lapsed in accordance with the share option scheme will not be counted for the purpose of calculating the 10% limit. The listed issuer may seek approval by its shareholders in general meeting for “refreshing” the 10% limit under the share option scheme. However, the total number of securities which may be issued upon exercise of all options to be granted under all of the schemes of the listed issuer (or the subsidiary) under the limit as “refreshed” must not exceed 10% of the relevant class of securities in issue as at the date of approval of the refreshed limit. Options previously granted under the schemes (including those outstanding, cancelled, lapsed in accordance with the scheme or exercised options) will not be counted for the purpose of calculating the limit as “refreshed”. The GEM Listing Rules also provide that the limit on the number of securities which may be issued upon exercise of all outstanding options granted and yet to be exercised under the share option scheme and any other schemes must not exceed 30% of the relevant class of securities of the listed issuer (or the subsidiary) in issue from time to time. The GEM Listing Rules further provide that if the listed issuer (or the subsidiary) conducts a share consolidation or subdivision after the 10% limit has been approved in general meeting, the maximum number of securities that may be issued upon exercise of all options to be granted under all of the schemes of the listed issuer (or the subsidiary) under the 10% limit as a percentage of the total number of issued shares at the date immediately before and after such consolidation or subdivision shall be the same.
Pursuant to the passing of the Last Renewal Resolution on 26 September 2016, the then scheme limit of the Share Option Scheme was refreshed and pursuant to which the Company was authorised to grant options entitling holders thereof to subscribe for up to a maximum number of 499,985,330 then shares of the Company, representing 10% of the then issued share capital of the Company as at 26 September 2016. Upon the completion of the Share Consolidation, the scheme limit of the Share Option Scheme was adjusted pursuant to the requirements under the GEM Listing Rules as mentioned above. Therefore, the Existing Scheme Limit is 124,996,332 Shares, representing 10% of the Shares in issue as at 19 October 2017, the effective date of the Share Consolidation and approximately 4.17% of the Shares in issue as at the Latest Practicable Date.

Since the passing of the Last Renewal Resolution and up to the Latest Practicable Date, options carrying the right to subscribe for 120,016,332 Shares have been granted pursuant to the Share Option Scheme. No such options have lapsed, exercised or cancelled. As at the Latest Practicable Date, 120,016,332 of the options granted under the Share Option Scheme remained outstanding. Unless the Existing Scheme Limit was “refreshed”, only 4,980,000 (representing approximately 3.98% of the Existing Scheme Limit) Shares might be issued pursuant to the grant of further options under the Share Option Scheme.

The Directors consider that the Company should refresh the Existing Scheme Limit so that the Company could have more flexibility to provide incentives to the Participants by way of granting share options to them. If the refreshment of the Existing Scheme Limit is approved at the AGM, based on the 3,000,408,311 Shares in issue as at the Latest Practicable Date and assuming that the number of issued Shares remains unchanged on the date of the AGM, the Company will be allowed under the “refreshed limit” to grant options carrying the rights to subscribe for up to a total of 300,040,831 Shares, representing 10% of the issued Shares as at the date of AGM.

Apart from the Share Option Scheme, the Company has no other share option scheme currently in force. Apart from the 120,016,332 options granted under the Share Option Scheme, the Company has no outstanding options to subscribe for Shares.

None of the grantees has been granted with options which exceed the limit of 1% of the issued Shares in the 12 months period up to and including the respective dates of grant as set out in note to Rule 23.03(4) of the GEM Listing Rules and the Company is in compliance with Rule 23.03(4) of the GEM Listing Rules in this regard.

As at the Latest Practicable Date, the total number of Shares which may fall to be issued upon the exercise of all outstanding options under the Share Option Scheme is 120,016,332, representing approximately 4.00% of the Shares in issue as at Latest Practicable Date. If the refreshment of the Existing Scheme Limit is approved at the AGM, the existing outstanding options of the Company and the options to be granted under the “refreshed limit” will not exceed 30% of the issued Shares.

The Directors consider that the refreshment of the Existing Scheme Limit is in the interests of the Group and the Shareholders as a whole because it enables the Company to reward and motivate its employees and other Participants under the Share Option Scheme.
The refreshment of the Existing Scheme Limit is conditional upon:

(i) the passing of an ordinary resolution at the AGM to approve the said refreshment; and

(ii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in any new Shares which may fall to be allotted and issued upon the exercise of the subscription rights attaching to the options that may be granted under the refreshed limit of the Share Option Scheme up to 10% of the issued Shares as at the date of passing of the relevant ordinary resolution at the AGM.

Application will be made to the Listing Committee of the Stock Exchange for granting the listing of, and permission to deal in any new Shares which may fall to be allotted and issued upon the exercise of the subscription rights attaching to the options that may be granted under the refreshed limit of the Share Option Scheme up to 10% of the issued Shares as at the date of passing of the relevant ordinary resolution at the AGM.

ACTIONS TO BE TAKEN

Set out on pages 17 to 22 of this circular is a notice convening the AGM at which ordinary resolutions will be proposed to approve, among other matters, the following:

(a) the proposed grant of the General Mandate, Repurchase Mandate and Extension Mandate;

(b) the proposed re-election of Directors; and

(c) the proposed refreshment of the Existing Scheme Limit.

Whether or not you are able to attend the AGM in person, you are requested to complete and return the accompanying form of proxy in accordance with the instructions printed thereon to the Company’s branch share registrar and transfer office in Hong Kong, Tricor Investor Services Limited at Level 22, Hopewell Centre, 183 Queen’s Road East, Hong Kong as soon as possible and in any event not less than 48 hours before the time of the AGM (i.e. by 11:00 a.m. on 25 September 2018) or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM or any adjournment thereof should you so wish.

VOTING AT THE AGM

Pursuant to Rule 17.47(4) of the GEM Listing Rules, all vote of shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Therefore, all proposed resolutions as set out in the AGM Notice will be voted by poll. An announcement on the poll vote results will be made by the Company after the AGM in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules.
RECOMMENDATIONS

The Board considers that the ordinary resolutions in respect of the proposed grant of the General Mandate, Repurchase Mandate and Extension Mandate, the proposed re-election of Directors, and the proposed refreshment of the Existing Scheme Limit to be proposed at the AGM are in the best interests of the Company and the Shareholders as a whole and recommends the Shareholders to vote in favour of such resolutions at the AGM.

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,

By order of the Board

Roma Group Limited

Yue Kwai Wa Ken

Executive Director, Chief Executive Officer,
Chairman and Company Secretary
This appendix serves as an explanatory statement, as required by Rule 13.08 of the GEM Listing Rules, to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Repurchase Mandate to the Directors.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 3,000,408,311 Shares in issue.

The Repurchase Mandate will enable the Directors to repurchase the Shares on the Stock Exchange up to a maximum of 10% of the number of issued Shares on the date of passing the relevant ordinary resolution on the AGM. Subject to the passing of the proposed resolution granting the Repurchase Mandate and assuming that no Shares will be issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 300,040,831 Shares.

3. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company’s memorandum of association, the Articles, the Companies Law, other applicable laws of the Cayman Islands and the GEM Listing Rules. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or
purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company’s share premium account, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

5. IMPACT ON WORKING CAPITAL OR GEARING LEVEL

There might be a material adverse impact on the working capital and/or gearing position of the Company as compared with the position as at 31 March 2018, being the date of its latest published audited consolidated financial statements, in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the twelve calendar months immediately preceding (and including) the Latest Practicable Date are as follows:

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and applicable laws of the Cayman Islands.

8. CONNECTED PERSON

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the GEM Listing Rules), have any present intention to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders.

No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company, or has any such core connected person undertaken not to do so, in the event that the grant of Repurchase Mandate to the Directors is approved by the Shareholders.

9. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If on exercise of the powers of repurchase pursuant to the Repurchase Mandate, a Shareholder’s proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

If the Repurchase Mandate were exercised in full, the shareholding percentage of the following shareholders (based on the number of Shares they held as at the Latest Practicable Date) before and after the exercise of the Repurchase Mandate in full would be as follows:

<table>
<thead>
<tr>
<th>Name of Shareholders</th>
<th>Number of Shares held as at the Latest Practicable Date</th>
<th>Approximate percentage of existing shareholdings as at the Latest Practicable Date</th>
<th>Approximate percentage of shareholding if the Repurchase Mandate is exercised in full</th>
</tr>
</thead>
<tbody>

<tr>

<td>255,750,000</td>
<td>8.52%</td>
<td>9.47%</td>
</tr>
</tbody>
</table>

Note: The entire issued share capital of Aperto was legally and beneficially owned by Mr. Luk. Under the SFO, Mr. Luk was deemed to be interested in all the Shares held by Aperto.
In the event that the Repurchase Mandate is exercised in full, the shareholding interest in the Company of Aperto and the deemed shareholdings interest of Mr. Luk will increase to approximately the respective percentages shown in the last column of the table above. Hence, each of Aperto and Mr. Luk would not be required under Rule 26 of the Takeovers Code to make a mandatory offer if the Repurchase Mandate is exercised in full.

As at the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate to such an extent that as would give rise to such obligation. Save as aforesaid, the Directors are not aware of any consequence which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in hands of public falling below the prescribed minimum percentage of 25%.

10. SHARE REPURCHASE MADE BY THE COMPANY

In the six months immediately preceding the Latest Practicable Date, the Company had repurchased a total of 124,500,000 Shares on the Stock Exchange. Particulars of the repurchases are as follows:

<table>
<thead>
<tr>
<th>Date of repurchase</th>

Save as disclosed above, the Company has not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.
