**(1) PROPOSED SHARE CONSOLIDATION AND
CHANGE IN BOARD LOT SIZE; AND
(2) PROPOSED CAPITAL REDUCTION OF
ISSUED SHARES AND SUB-DIVISION OF UNISSUED SHARES**

The Company proposes to implement the following capital reorganisation involving the Share Consolidation, the Change in Board Lot Size, the Capital Reduction and the Share Sub-division as follows:

(1) Share Consolidation and Change in Board Lot Size

The Board proposes that every twenty (20) issued and unissued Existing Shares of a par value of HK\$0.064 each in the share capital of the Company will be consolidated into one (1) Consolidated Share of a par value of HK\$1.28 in the share capital of the Company.

Conditional upon the Share Consolidation becoming effective, the Board also proposes to change the board lot size for trading on the Stock Exchange from 20,000 Existing Shares to 10,000 Consolidated Shares with effect from the Business Day immediately after the EGM, which is expected to be Thursday, 22 August 2019.

* For identification purpose only

(2) Capital Reduction and Share Sub-division

Immediately following the Share Consolidation becoming effective, the Capital Reduction and the Share Sub-division to be implemented, pursuant to which:

- (i) the issued share capital of the Company will be reduced by (a) rounding down the number of Consolidated Shares in the issued share capital of the Company to the nearest whole number by cancelling any fraction of a Consolidated Share arising as a result of the Share Consolidation; and (b) cancelling the paid up capital of each of the issued Consolidated Shares to the extent of HK\$1.27 on each of the then issued Consolidated Shares such that the par value of each issued New Share will be reduced from HK\$1.28 to HK\$0.01; and
- (ii) immediately following the Capital Reduction, each of the authorised but unissued Consolidated Shares with par value of HK\$1.28 each be sub-divided into one hundred and twenty-eight (128) New Shares of par value HK\$0.01 each.

Upon the Capital Reduction and the Share Sub-division becoming effective, the size of each board lot of the New Shares will remain the same as that of the Consolidated Shares, being 10,000 New Shares per board lot and the New Shares will rank pari passu in all respects with each other in accordance with the Memorandum and the Articles.

GENERAL

An EGM will be convened and held for the Shareholders to consider and, if thought fit, approve the necessary resolution(s) in respect of the Share Consolidation, the Capital Reduction and the Share Sub-division. The Circular containing, among other matters, information regarding the Share Consolidation, the Capital Reduction and the Share Sub-division together with a notice of the EGM will be despatched to the Shareholders on or before Thursday, 25 July 2019.

As the Share Consolidation, the Capital Reduction and the Share Sub-division are subject to the satisfaction of conditions, they may or may not become effective. Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.

PROPOSED SHARE CONSOLIDATION AND CHANGE IN BOARD LOT SIZE

The Board proposes that every twenty (20) issued and unissued Existing Shares of a par value of HK\$0.064 each in the share capital of the Company be consolidated into one (1) Consolidated Share of a par value of HK\$1.28 in the share capital of the Company.

Effect of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company is HK\$576,000,000 divided into 9,000,000,000 Existing Shares with par value of HK\$0.064 each, of which 2,700,408,311 Existing Shares have been issued and are fully paid or credited as fully paid.

Immediately upon the Share Consolidation becoming effective but prior to the Capital Reduction and the Share Sub-division becoming effective, and assuming no further Existing Shares will be issued or repurchased from the date of this announcement up to and including the effective date of the Share Consolidation, the authorised share capital of the Company shall be HK\$576,000,000 divided into 450,000,000 Consolidated Shares of a par value of HK\$1.28 each, of which 135,020,415* Consolidated Shares have been issued as fully paid or credited as fully paid.

Upon the Share Consolidation becoming effective, all the Consolidated Shares will rank *pari passu* in all respects with each other in accordance with the Memorandum and the Articles. Fractions of the Consolidated Shares that arise from the Share Consolidation will not be allocated to the Shareholders otherwise entitled thereto and will be aggregated and sold for the benefit of the Company.

The implementation of the Share Consolidation will not alter the underlying assets, business operation, management or financial position of the Company and the interests and rights of the Shareholders, save that any fractional Consolidated Shares will not be allocated to Shareholders who may otherwise be entitled and the necessary professional expenses for the implementation of the Share Consolidation.

Conditions of the Share Consolidation

The Share Consolidation is conditional upon the following conditions:

1. the passing of an ordinary resolution by the Shareholders to approve the Share Consolidation at the EGM;
2. the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares upon the Share Consolidation becoming effective; and
3. the compliance with the relevant procedures and requirements under the GEM Listing Rules to effect the Share Consolidation.

Subject to the fulfilment of the conditions of the Share Consolidation, the effective date of the Share Consolidation is expected to be on Thursday, 22 August 2019, being the Business Day immediately after the EGM.

As at the date of this announcement, none of the above conditions have been fulfilled.

Reasons for the Share Consolidation

Pursuant to Rule 17.76 of GEM Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the Stock Exchange reserves the right to require the issuer either to change the trading method or proceed with a consolidation or splitting of securities.

* *Fraction of shares is disregarded for purposes of disclosure only*

The “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and updated on 28 June 2019 has stated that market price of the Shares at a level less than HK\$0.1 will be considered as trading at extremity as referred to under Rule 17.76 of the GEM Listing Rules.

Taking into account of the closing price of HK\$0.030 per Share on 22 July 2019 (being the date of this announcement), the Share Consolidation would enable the Company to comply with the trading requirements under the GEM Listing Rules.

The Share Consolidation will increase the nominal value of the Shares and will reduce the total number of Shares currently in issue. As such, it is expected that the Share Consolidation will bring about a corresponding upward adjustment in the trading price of the Shares.

The Board considers that the Share Consolidation is beneficial to and in the interests of the Company and the Shareholders as a whole.

Application for the listing of the Consolidated Shares

An application will be made by the Company to the Stock Exchange for the listing of, and the permission to deal in, the Consolidated Shares.

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealing in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the Existing Shares are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becomes effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

Fractional entitlement to Consolidated Shares following the Share Consolidation

Fractional Consolidated Shares arising from the Share Consolidation, if any, will be disregarded and will not be allocated to the Shareholders, but will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of share certificates held by such holder.

Exchange of share certificates for the Consolidated Shares

Subject to the Share Consolidation becoming effective, which is currently expected to be on Thursday, 22 August 2019, being the Business Day immediately after the date of the EGM, Shareholders may between 9:00 a.m. and 4:30 p.m. on any Business Day during the period from Thursday, 22 August 2019 to Friday, 27 September 2019 (both days inclusive), submit share certificates for the Existing Shares (in orange colour) to the Registrar at Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong to exchange for new share certificates for the Consolidated Shares (in yellow colour) at the expense of the Company.

Shareholders should note that after the prescribed time for free exchange of share certificates, a fee of HK\$2.50 each (or such higher amount as may from time to time be allowed by the Stock Exchange) will be payable by the Shareholders to the Registrar for each share certificate for the Existing Shares submitted for cancellation or each new share certificate issued for the Consolidated Shares, whichever the number of share certificates involved is higher.

After 4:00 p.m. on Wednesday, 25 September 2019, trading will only be in Consolidated Shares which share certificates will be issued in yellow colour. Existing share certificates in orange colour for the Existing Shares will cease to be valid for trading and settlement purpose, but will remain valid and effective as documents of title.

Change in Board Lot Size

As at the date of this announcement, the Shares are traded in board lots of 20,000 Existing Shares. Conditional upon the Share Consolidation becoming effective, the Board also proposes to change the board lot size for trading on the Stock Exchange from 20,000 Existing Shares to 10,000 Consolidated Shares with effect from the Business Day immediately after the EGM, which is expected to be Thursday, 22 August 2019.

Based on the closing price of HK\$0.030 per Existing Share (equivalent to the theoretical closing price of HK\$0.60 per Consolidated Share) as quoted on the Stock Exchange at the date of this announcement, the value of each existing board lot of 20,000 Existing Shares is HK\$600 and the theoretical value for each new board lot of 10,000 Consolidated Shares would be HK\$6,000.

The Change in Board Lot Size will offer the trading value for each board lot at a reasonable level to attract investors, and that such change in the board lot size would offer the public a reasonable entry level to invest in the Consolidated Shares. The Change in Board Lot Size will not result in change in the relative rights of the Shareholders. The Board considers that the Change in Board Lot Size is fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Arrangement on odd lot trading

In order to alleviate the difficulties arising from the existence of odd lots of the Consolidated Shares arising from the Share Consolidation and the Change in Board Lot Size (if any), the Company will appoint an agent to provide matching services, on a best efforts

basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares.

Holders of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers. Further details of the odd lot arrangement will be set out in the Circular to be despatched to the Shareholders.

PROPOSED CAPITAL REDUCTION AND SHARE SUB-DIVISION

The Board further proposes that immediately following the Share Consolidation becoming effective, the Capital Reduction and the Share Sub-division to be implemented in the following manner:

- (i) the issued share capital of the Company be reduced by (a) rounding down the number of Consolidated Shares in the issued share capital of the Company to the nearest whole number by cancelling any fraction of a Consolidated Share arising as a result of the Share Consolidation; and (b) cancelling the paid up capital of each of the issued Consolidated Shares to the extent of HK\$1.27 on each of the then issued Consolidated Shares such that the par value of each issued New Share will be reduced from HK\$1.28 to HK\$0.01;
- (ii) immediately following the Capital Reduction, each of the authorised but unissued Consolidated Shares with par value of HK\$1.28 each be sub-divided into one hundred and twenty-eight (128) New Shares of par value HK\$0.01 each; and
- (iii) each of the New Shares arising from the Capital Reduction and the Share Sub-division shall rank pari passu in all respects with each other and have rights and privileges and be subject to the restrictions as contained in the Memorandum and the Articles.

Effect of the Capital Reduction and the Share Sub-division

As at the date of this announcement, the authorised share capital of the Company is HK\$576,000,000 divided into 9,000,000,000 Existing Shares with par value of HK\$0.064 each, of which 2,700,408,311 Existing Shares have been issued and are fully paid or credited as fully paid.

Immediately upon the Share Consolidation, the Capital Reduction and the Share Sub-division becoming effective and assuming no further Existing Shares or (as the case may be) Consolidated Shares will be issued or repurchased from the date of this announcement up to and including the Effective Date, the authorised share capital of the Company shall be HK\$576,000,000 divided into 57,600,000,000 New Shares of a par value of HK\$0.01 each, of which 135,020,415 New Shares have been issued as fully paid or credited as fully paid.

Based on the 2,700,408,311 Existing Shares in issue as at the date of this announcement or (as the case may be) 135,020,415* Consolidated Shares in issue as at the date on which the Share Consolidation becoming effective, and assuming no further Existing Shares or (as the

* *Fraction of shares is disregarded for purposes of disclosure only*

case may be) Consolidated Shares issued or repurchased prior to the Effective Date, a credit amounting to approximately HK\$171,475,928 will arise as a result of the Capital Reduction. It is proposed that the credit arising from the Capital Reduction will be credited to the distributable reserve account of the Company, which will be utilised by the Company in such manner as the Board may deem fit and permitted under all applicable laws and the Articles.

Assuming that there is no change in the number of issued Shares from the date of this announcement up to and including the date on which the Share Consolidation, the Capital Reduction and the Share Sub-division becoming effective, the share capital structure of the Company will be as follows:

	As of the date of this announcement	Immediately upon the Share Consolidation becoming effective but prior to the Capital Reduction and the Share Sub-division becoming effective	Immediately upon the Capital Reduction and the Share Sub-division becoming effective
Par value	HK\$0.064 per Existing Share	HK\$1.28 per Consolidated Share	HK\$0.01 per New Share
Amount of authorised share capital	HK\$576,000,000	HK\$576,000,000	HK\$576,000,000
Number of authorised shares	9,000,000,000	450,000,000	57,600,000,000
Number of issued shares	Existing Shares 2,700,408,311	Consolidated Shares 135,020,415*	New Shares 135,020,415
Amount of the issued share capital	Existing Shares HK\$172,826,131.904	Consolidated Shares HK\$172,826,131.904	New Shares HK\$1,350,204.15

Upon the Capital Reduction and the Share Sub-division becoming effective, the size of each board lot of the New Shares will remain the same as that of the Consolidated Shares, being 10,000 New Shares per board lot and the New Shares will rank pari passu in all respects with each other in accordance with the Memorandum and the Articles.

Other than the expenses to be incurred in relation to the Share Consolidation, the Change in Board Lot Size, the Capital Reduction and the Share Sub-division which are expected to be insignificant in the context of the net asset value of the Company, the implementation of the Share Consolidation, the Change in Board Lot Size, the Capital Reduction and the Share Sub-division will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders, save that any fractional New Shares will not be allocated to Shareholders who may otherwise be entitled. The Directors are of the view that the Share Consolidation, the Change in Board Lot Size, the Capital Reduction and the Share Sub-division will not have any material adverse effect on the financial position of the Group and are in the interest of the Company and the Shareholders as a whole.

* Fraction of shares is disregarded for purposes of disclosure only

Conditions of the Capital Reduction and the Share Sub-division

The Capital Reduction and the Share Sub-division are conditional upon the following conditions:

1. the Share Consolidation has become effective;
2. the Shareholders' approval by way of special resolution at the EGM to be held to consider and, if thought fit, approve, among other things, the Capital Reduction and the Share Sub-division;
3. approval of the Capital Reduction by the Court;
4. compliance with any conditions which the Court may impose in relation to the Capital Reduction;
5. registration by the Registrar of Companies in the Cayman Islands of the order of the Court confirming the Capital Reduction and the minutes approved by the Court containing the particulars required under the Companies Law with respect to the Capital Reduction; and
6. the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the New Shares arising from the Capital Reduction.

The Capital Reduction and the Share Sub-division will become effective when the conditions mentioned above are fulfilled. Upon the approval by the Shareholders of the Share Consolidation, the Capital Reduction and the Share Sub-division at the EGM, the legal advisors to the Company (as to Cayman Islands Law) will apply to the Court for hearing date(s) to confirm the Capital Reduction and further announcement(s) will be made by the Company on the preliminary timetable as soon as the Court hearing dates are confirmed.

As at the date of this announcement, none of the above conditions have been fulfilled.

Reasons for the Capital Reduction and Share Sub-division

Under the Companies Laws, a company may not issue shares at a discount to the nominal value of such shares. Immediately after completion of the Share Consolidation but before implementation of the Capital Reduction and the Share Sub-division, the nominal value of the Consolidated Shares will be HK\$1.28 per Consolidated Share. The Capital Reduction and the Share Sub-division will keep the nominal value of the New Shares at a lower level of HK\$0.01 per New Share, which allows greater flexibility in the pricing for any issue of new Shares in the future. The credit in the distributable reserve account arising from the Capital Reduction will enable the Company to set off its accumulated loss and may be applied in future for distribution to the Shareholders or in any manner permitted by applicable laws and the Articles. The Board considers that the Capital Reduction and the Share Sub-division is beneficial to and in the interests of the Company and the Shareholders as a whole.

Application for the listing of the New Shares

An application will be made by the Company to the Stock Exchange for the listing of, and the permission to deal in, the New Shares.

Subject to the granting of the listing of, and permission to deal in, the New Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the New Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealing in the New Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the New Shares to be admitted into CCASS established and operated by HKSCC.

Exchange of share certificates for the New Shares

As the Court hearing dates have yet to be fixed, the effective date of the Capital Reduction and the Share Sub-division is not ascertainable at present. Should the Capital Reduction and the Share Sub-division becoming effective, Shareholders may submit share certificates for the Consolidated Shares (in yellow colour) to the Registrar at Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong to exchange for new share certificates for the New Shares (in brown colour) at the expense of the Company within the relevant free exchange period from the Effective Date. Details of such free exchange of share certificates will be announced as soon as the Effective Date is ascertained.

The Company will publish announcement(s) to update the Shareholders when the Court hearing dates, the effective date of the Capital Reduction and the Share Sub-division, and the period when the Shareholders can submit share certificates for the Consolidated Shares to exchange for new share certificates for the New Shares is/are ascertained and/or updated.

All existing certificates of the Consolidated Shares or (as the case may be) the Existing Shares will continue to be evidence of title to such Shares and be valid for delivery, trading and settlement purpose.

ADJUSTMENTS TO OUTSTANDING SHARE OPTIONS

According to the rules of the Share Option Scheme, if there is any alteration in the capital structure of the Company whether by way of, among others, consolidation, subdivision or reduction of the share capital of the Company, while any options remains exercisable, corresponding alteration shall be made to (A) the number of Shares (without fractional entitlements) subject to the options so far as unexercised; and/or (B) the subscription price of the options. The aforementioned alteration is conditional on the confirmation in writing by the auditors of the Company or the independent financial adviser appointed by the Company that the alteration is made on the basis that the proportion of the issued share capital of the Company to which a participant of the Share Option Scheme is entitled after such alteration shall remain the same as that to which he or she was entitled before such

alteration. No such alteration shall be made to the effect of which would be to enable any Share to be issued at less than its nominal value or which would result in the aggregate amount payable on the exercise of any option in full being increased.

As at the date of this announcement, there were outstanding options granted under the Share Option Scheme to subscribe for 417,061,245 Existing Shares. The Directors will determine, according to the rules of the Share Option Scheme, the adjustments (if any) required to be made in respect of the outstanding options as a result of the Share Consolidation, the Capital Reduction and the Share Sub-division. As the adjustments to the outstanding options are subject to the Share Consolidation, the Capital Reduction and the Share Sub-division taking effect and the written confirmation by the auditors of the Company or the independent financial advisers appointed by the Company, the Company cannot determine the adjustments to be made as at the date of this announcement. The Company will make further announcements regarding the adjustments in accordance with the GEM Listing Rules in due course.

Save as aforesaid, the Company does not have any other derivatives, options, warrants and conversion rights or other similar rights which are convertible or exchangeable into, any Existing Shares, Consolidated Shares or New Shares, as at the date of this announcement.

EXPECTED TIMETABLE

The expected timetable for the Share Consolidation, the Change in Board Lot Size, the Capital Reduction and the Share Sub-division is set out below. The expected timetable is subject to the results of the EGM and satisfaction of the conditions to the Share Consolidation, the Capital Reduction and the Share Sub-division and is therefore for indicative purpose only.
